Marriott Vacations Worldwide Celebrates 15 Years of Caring for Central Florida Children

ORLANDO, Fla. – May 7, 2012 – On Friday, April 20, Marriott Vacations Worldwide (NYSE: VAC) hosted its 15th Annual Caring Classic corporate charity golf tournament, raising a net donation of nearly \$180,000 for Greater Orlando Children’s Miracle Network Hospitals – exceeding last year’s record breaking donation. This represents a cumulative total of nearly \$1.6 million in funds raised since the tournament’s inception that directly benefit the young patients of Arnold Palmer Hospital for Children, Winnie Palmer Hospital for Women & Babies and Shands Hospital for Children at the University of Florida.

“One of our company’s core values is giving back to the communities we live and work in,” said Stephen P. Weisz, president and chief executive officer of Marriott Vacations Worldwide. “For over 28 years, we have been passionate supporters of Children’s Miracle Network Hospitals. Thanks to the commitment of our associates and valued partners we are able help make a critical difference in the lives of children right here in Central Florida.”

This year’s tournament took place at Marriott’s Grande Pines Golf Club, located at 6351 International Golf Club Road, where a full field and supporting sponsors representing 75 Marriott Vacations Worldwide partner companies contributed to the tournament’s success. Over 60 Marriott Vacations Worldwide associate volunteers and golf staff provided an exceptional on-course hospitality and golf experience for the participants.

“We are so grateful for Marriott Vacations Worldwide’s unwavering commitment to help create miracles by funding medical care, research and education that saves and improves lives at our Children’s Miracle Network Hospitals each year,” said Cathy Droke, director of Greater Orlando Children’s Miracle Network Hospitals. “The Caring Classic has become the highest-grossing, single-day fundraising event for CMN Hospitals in Central Florida as well as one of the premier fundraising events for CMN Hospitals in the region.”

This year’s tournament is part of Marriott Vacations Worldwide’s overall commitment to the expansion of The Alexander Center for Neonatology at the Winnie Palmer Hospital for Women & Babies. Over the next five years, the company has committed to raise more than \$1 million through existing and new CMN Hospitals fundraising activities benefitting the tiniest lives in Central Florida. In recognition for reaching this goal, a portion of the neonatology unit expansion will be recognized as the “Marriott Vacations Worldwide NICU-POD” which will memorialize the company’s long-standing commitment to children, especially the very tiniest newborns.
