## **Marriott Vacations Worldwide Named One of *Florida Trend's* “Best Companies to Work For In Florida”**

**ORLANDO, Fla. – July 24, 2018** — Marriott Vacations Worldwide (NYSE: VAC) was recently named one of *Florida Trend's* “Best Companies To Work For In Florida.”

The annual Best Companies list is featured in the August issue of *Florida Trend Magazine*. One hundred companies are ranked in small, medium and large employer categories. Marriott Vacations Worldwide ranked #17 in the large employer category, making it the highest-ranked Florida-based company in the vacation ownership industry.

“The development and well-being of our associates has always been one of our top priorities,” said Stephen P. Weisz, president and chief executive officer. “We are dedicated to creating an environment which encourages diversity, creativity and personal growth, and we are proud to say that our culture continues to be one of the sources of our greatness.”

To participate in the ranking, companies or government entities had to employ at least 15 workers in Florida and have been in operation for at least one year. Companies that chose to participate underwent an evaluation of their workplace policies, practices, philosophy, systems and demographics. The process also included a survey to measure employee satisfaction. The combined scores determined the top companies and the final ranking.

"The best companies obviously provide strong pay and benefits to their employees, but they also offer fun diversions," says Florida Trend Publisher Andy Corty, "And these top companies encourage employees to participate in the organization's overall success with training and open communications."

“The Best Companies To Work For In Florida” program was created by *Florida Trend* and Best Companies Group and is endorsed by the HR Florida State Council. Best Companies Group managed the registration, survey and analysis and determined the final rankings.
